To Everyone

I'm really glad to be participating in the project at your school. All those people here had been kind and great to us and it's with a heavy heart that we have to leave. I wish you all the best in the future to come.

Dear teachers and kids,
 You're so nice and sweet and I'm so lucky to meet you. You show me around the town and help us to figure out tons of problems. And kids in school are sooo cute! I want to take them home, or maybe stay here for the next 3 weeks. So gonna miss you!
